

Purchaser / party giving notice of empty cable drums

KTG customer ID:

**KTG notice of empty cable drums**

KTG bears the freight charges for the return transport.

The purchaser/party giving notice of empty cable drums is responsible for the loading or the incurred loading costs respectively at the place of dispatch. From type 12 on, cable drums can only be loaded by means of an appropriate loading device.

The cable drums are generally picked up by KTG's contract carrier within 5 working days/ according to the terms and conditions for the assignment of cable drums § 7 plastic cable drums are picked up within 15 days after receipt of the notice of empty cable drums. KTG asks the purchaser/party giving notice of empty cable drums to claim the pick-up service after this period has expired.

A notice of empty cable drums which do not belong to KTG can lead to vain rides at the purchaser's expense.
